

## DIRECTOR'S EPISTLE

Arvind Nanda  
Founder Director & CEO

Gautam Suri  
Founder Director & CTO

Dear Readers,

We are happy to see the roll out of GST in India from 1st July 2017. Our company is GST ready, and we are confident that GST will change and transform the way the business is conducted in the country.

We are pleased to share that Interarch has received a Certificate of Appreciation and Safety Award from TATA Motors Dharwad Interarch's and Tata Motors association dates back to the 1990's, when Interarch started working with the company for roofing projects for their Pune facilities. Since then, over the last two decades, Interarch has been actively involved in completion of pre-engineered structures for five manufacturing units for Tata Motors across various locations in the country. We are very happy to see, that our customers are choosing us for delivering Quality Product.

Thanks & Regards,  
Arvind Nanda & Gautam Suri

## Award Win

Interarch won Certificate of Appreciation and Safety Award from TATA Motors Ltd Dharwad in June 2017 for completion of Greenfield manufacturing plant

## Greenfield manufacturing facility delivered for TATA Motors Ltd in Dharwad

Interarch delivered Greenfield manufacturing facility with an area of over 72,000 Sq. M. The State-of-the-art facilities include 11 buildings comprising weld shops, paint shops, engine and gear box shops and assembly lines. This project reflects Interarch's ability to execute turn-key solutions from design, manufacture, supply, logistics and project handling

## Project Spotlight: Gamesa Renewable Pvt Ltd

Interarch played an integral role in bringing up the steel buildings of Gamesa Renewable in a short span of time with buildings in remote location in A.P. The manufacturing plant were made using Interarch's TRACDEK® Standing Seam Roofing system, with cladding systems of TRACDEK® Hi-Rib
