

WE BUILD THOSE WHO BUILD INDIA

Started in 1984, from just being a PEB player, Interarch has emerged into a large EPC player providing critical Project Management Consultancy to its clients. Pioneer in steel buildings since last three decades, Interarch has the privilege to work with the smallest to the biggest corporates of India and has now become the preferred choice for construction by MNC and large Indian companies. Armed with the world-class construction technology and international quality, Interarch has the capabilities to help building structures for those who help build new India.

We Don't Supply Buildings, We Deliver Projects.

IGBC Certified Platinum Rating.
