

## Interarch Delivered Pre-Engineered Building for Jash Engineering, Madhya Pradesh

Interarch with expertise in delivering Greenfield projects for engineering facilities for both light and complex engineering companies delivered a manufacturing facility for Jash Engineering.

Jash Engineering Ltd. is an ISO-9001:2008 company is a member of Jash Group. The Group is engaged in manufacturing of varied engineering products for General Engineering Industry, Machine tool Industry, Waste water Industry and Bulk solid handling Industry. Jash is an Industry leader with the largest market share within India & exports its products to over 25 countries worldwide.

The project covers an area of 13,675 Sq. M. with a total tonnage of 700 MT. The project was designed keeping in consideration the additional load of glazing on structure for aesthetics adding to the complexity of the project. It has 2 lean to buildings a workshop and an office block. The building is divided into 3 areas with different dimensions.

### Key Features of the Project

Project Name	Jash Engineering Pvt. Ltd.
Building Location	Bardari, Indore
Building Type	Greenfield Project for Manufacturing Valves
Building Area	13675 Sq. M
Width	Area 1- 97.52 M; Area 2- 18 M; Area 3- 5.2 M
Length	Area 1- 136 M & 80 M; Area 2- 64 M; Area 3- 56 M
Height	Area 1-10.6 M; Area 2- 9.3 M; Area 3- 4 M
Tonnage of Building	Approx. 770 MT
Special Features	<ul style="list-style-type: none"> <li>• Lean to Workshop</li> <li>• Lean to Office Block</li> <li>• Multi Gable building</li> <li>• Total no. of areas in Building - 3</li> <li>• Multiple Cranes on each width Module</li> <li>• 2 numbers of Roof monitors</li> <li>• S type Industrial Louvers</li> <li>• 50 mm thick Fiber Glass insulation on lean-to office block</li> <li>• High safety expectation of Client</li> <li>• Additional Load of Glazing on structure for aesthetics</li> </ul>
